

# PARENT/ADULT/PEER VOLUNTEER FORM

**Attention all parents:** In order to make Confirmation a successful, faith-filled experience, we welcome your help!

If you, another adult, or a teen in your household would like to help with the process, please consider helping in the following areas of service. If both parents (or a parent and a teen) are signing up, please indicate who is interested in which area:

- Small Group Leader for Confirmation Prep Program on Monday nights.**  
(this would mean **only 6** Monday night sessions per group)

Please indicate (circle one) which session:     **GROUP A**   or   **GROUP B**

- Chaperone for Confirmation Retreat (circle one)**                     **October 16**    **October 17**

*Preference is given to adults and peers who are involved as Monday night small group leaders. We usually need additional chaperones on retreat as not all group facilitators can attend retreat.*

- Service Projects.** Adults and peers are needed to help plan and supervise activities such as sandwich making, church cleanings, etc. Your example of participation and enthusiasm in this vital component of our preparation is invaluable.
